James Bond Theme

## Live And Let Die

When you were young and your heart was an open book

You used to say live and let live (You know you did, you know you did, you know you did)

But if this ever changing world in which we're living  
Makes you give in and cry

Say live and let die (Live and let die)

Live and let die, let it die (Live and let die)

What does it matter to you?

When you got a job to do

You gotta do it well

You got to give the other fellow hell

You used to say live and let live (You know you did, you know you did, you know you did)

But if this ever changing world in which we're living  
Makes you give in and cry

Say live and let die (Live and let die)

Yeah, live and let die, let it die (Live and let die)

## Diamonds Are Forever

Diamonds are forever,  
They are all I need to please me,  
They can stimulate and tease me,  
They won't leave in the night,  
I've no fear that they might desert me.

Diamonds are forever,  
Hold one up and then caress it,  
Touch it, stroke it and undress it,  
I can see ev'ry part,  
Nothing hides in the heart to hurt me.  
I don't need love,  
For what good will love do me?  
Diamonds never lie to me,  
For when love's gone,  
They'll lustre on.

Diamonds are forever,  
Sparkling round my little finger.  
Unlike men, the diamonds linger;  
Men are mere mortals who  
Are not worth going to your grave for.  
I don't need love,  
For what good will love do me?

Diamonds never lie to me,  
For when love's gone,  
They'll lustre on.

Diamonds are forever, forever, forever.

Diamonds are forever, forever, forever.

Forever and ever.

We have all the time in the World

We have all the time in the world

Time enough for life to unfold

All the precious things love has in store

We have all the love in the world

If that's all we have, you will find

We need nothing more

Every step of the way

Will find us

With the cares of the world

Far behind us

We have all the time in the world

Just for love

Nothing more, nothing less

Only love

Every step of the way

Will find us

With the cares of the world

Far behind us, yes

We have all the time in the world

Just for love

Nothing more, nothing less

Only love

Only love

## Skyfall

This is the end  
Hold your breath and count to ten  
Feel the earth move and then  
Hear my heart burst again

For this is the end  
I've drowned and dreamt this moment  
So overdue I owe them  
Swept away, I'm stolen

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together

Let the sky fall  
When it crumbles  
We will stand tall  
Face it all together  
At skyfall  
That skyfall

Skyfall is where we start  
A thousand miles and poles apart  
Where worlds collide and days are dark

You may have my number, you can take my name  
But you'll never have my heart

Let the sky fall (let the sky fall)  
When it crumbles (when it crumbles)  
We will stand tall (we will stand tall)  
Face it all together

Let the sky fall (let the sky fall)  
When it crumbles (when it crumbles)  
We will stand tall (we will stand tall)  
Face it all together  
At skyfall

[x2:]  
(Let the sky fall  
When it crumbles  
We will stand tall)

Where you go I go  
What you see I see  
I know I'd never be me  
Without the security  
Of your loving arms  
Keeping me from harm  
Put your hand in my hand

And we'll stand

Let the sky fall (let the sky fall)  
When it crumbles (when it crumbles)  
We will stand tall (we will stand tall)  
Face it all together

Let the sky fall (let the sky fall)  
When it crumbles (when it crumbles)  
We will stand tall (we will stand tall)  
Face it all together  
At skyfall

Let the sky fall  
We will stand tall  
At skyfall  
Oh-s...

## Love Is All Around Us

I feel it in my fingers

I feel it in my toes

Love that's all around me

And so the feeling grows

It's written on the wind

It's everywhere I go, oh yes it is

So if you really love me

Come on and let it show, oh

You know I love you, I always will

My mind's made up by the way that I feel

There's no beginning, there'll be no end

'Cause on my love you can depend

I see your face before me

As I lay on my bed

I kinda get to thinking

Of all the things you said, oh yes I do

You gave your promise to me and I gave mine to  
you

I need someone beside me in everything I do

Oh, yes I do

You know I love you, I always will

My mind's made up by the way that I feel

There's no beginning, there'll be no end

'Cause on my love you can depend

I gotta keep it moving

Ooh, it's written in the wind

Oh, everywhere I go, yeah, ooh yeah

So if you really love me, love me, love me

Come on and let it show...

## Walk The Line Walk the Line

I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine, I walk the line

I find it very, very easy to be true  
I find myself alone when each day's through  
Yes, I'll admit that I'm a fool for you  
Because you're mine, I walk the line

As sure as night is dark and day is light  
I keep you on my mind both day and night  
And happiness I've known proves that it's right  
Because you're mine, I walk the line

You've got a way to keep me on your side  
You give me cause for love that I can't hide  
For you, I know I'd even try to turn the tide  
Because you're mine, I walk the line

I keep a close watch on this heart of mine  
I keep my eyes wide open all the time  
I keep the ends out for the tie that binds  
Because you're mine, I walk the line

## Ring Of Fire

Love is a burning thing  
And it makes a fiery ring  
Bound by wild desire  
I fell into a ring of fire

I fell into a burning ring of fire  
I went down, down, down  
And the flames went higher  
And it burns, burns, burns  
The ring of fire  
The ring of fire

### Instrumental

I fell into a burning ring of fire  
I went down, down, down  
And the flames went higher  
And it burns, burns, burns  
The ring of fire  
The ring of fire

The taste of love is sweet  
When hearts like ours meet  
I fell for you like a child  
Oh, but the fire went wild

## Chorus

And it burns, burns, burns

The ring of fire

The ring of fire

The ring of fire

The ring of fire

The ring of fire

The ring...

## Moon River

Moon river, wider than a mile  
I'm crossing you in style some day  
Oh, dream maker, you heart breaker  
Wherever you're going, I'm going your way

Two drifters, off to see the world  
There's such a lot of world to see  
We're after the same rainbow's end, waiting, round  
the bend  
My Huckleberry Friend, Moon River, and me

Moon river, wider than a mile  
I'm crossing you in style some day  
Oh, dream maker, you heart breaker  
Wherever you're going, I'm going your way

Two drifters, off to see the world  
There's such a lot of world to see  
We're after that same rainbow's end, waiting, round  
the bend  
My Huckleberry Friend, Moon River, and me

## My Heart Will Go On – Titanic

Every night in my dreams  
I see you, I feel you  
That is how I know you go on

Far across the distance  
And spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more, you open the door  
And you're here in my heart  
And my heart will go on and on

Love can touch us one time  
And last for a lifetime  
And never let go 'til we're gone

Love was when I loved you  
One true time I'd hold to  
In my life, we'll always go on

Near, far, wherever you are  
I believe that the heart does go on (why does the heart  
go on?)

Once more, you open the door  
And you're here in my heart  
And my heart will go on and on

You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart and  
My heart will go on and on

## Star Trek

Space: the final frontier. These are the voyages of the starship Enterprise. Its continuing mission: to explore strange new worlds; to seek out new life and new civilizations; to boldly go where no one has gone before!

## Star Wars

A long time ago in a galaxy far, far away... It is a period of civil war. Rebel spaceships, striking from a hidden base, have won their first victory against the evil Galactic Empire. During the battle, Rebel spies managed to steal secret plans to the Empire's ultimate weapon, the Death Star!

## Windmills Of Your Mind

Round, Like a circle in a spiral  
Like a wheel within a wheel  
Never ending or beginning  
On an ever-spinning reel  
Like a snowball down a mountain  
Or a carnival balloon  
Like a carousel that's turning  
Running rings around the moon

Like a clock whose hands are sweeping  
Past the minutes of its face  
And the world is like an apple  
Rolling silently in space  
Like the circles that you find  
In the windmills of your mind

Like a tunnel that you follow  
To a tunnel of its own  
Down a hollow to a cavern  
Where the sun has never shone  
Like a door that keeps revolving  
In a half-forgotten dream  
All the ripples from a pebble  
Someone tosses in a stream

## Chorus

Keys that jingle in your pocket  
Words that jangle in your head  
Why did summer go so quickly?  
Was it something that you said?  
Lovers walk along the shore  
Leave their footprints in the sand  
Is the sound of distant drumming  
Just the fingers of your hand?

Pictures hanging in a hallway  
Or the fragment of this song  
Half-remembered names and faces  
But to whom do they belong?  
When you knew that it was over  
You Were suddenly aware  
That the autumn leaves were turning  
To the colour of his hair?

Like a circle in a spiral  
Like a wheel within a wheel  
Never ending or beginning  
On an ever-spinning reel  
As the images unwind, Like the circles that you find  
In the windmills of your mind

I Will Always Love You

If I should stay

I would only be in your way

So I'll go but I know

I'll think of you every step of the way

And I will always love you

I will always love you

You

My darling, you

Mmm-mm

Bittersweet memories –

That is all I'm taking with me

So good-bye

Please don't cry:

We both know I'm not what you, you need

And I... will always love you

I... will always love you

You, ooh

I hope life treats you kind

And I hope you have all you've dreamed of

And I'm wishing you joy and happiness

But above all this, I wish you love

And I... will always love you

I will always love you

I will always love you

I will always love you

I will always love you

I, I will always love you

You

Darling, I love you

I'll always

I'll always love you

Ooh

Ooh

(Everything I do) I do it for you

Look into my eyes

You will see

What you mean to me

Search your heart

Search your soul

And when you find me there

You'll search no more

Don't tell me

It's not worth tryin' for

You can't tell me

It's not worth dyin' for

You know it's true

Everything I do

I do it for you

Look into your heart

You will find

There's nothin' there to hide

Take me as I am

Take my life

I would give it all

I would sacrifice

## Chorus

There's no love  
Like your love  
And no other  
Could give more love  
There's nowhere  
Unless you're there  
All the time  
All the way, yeah

Look into your heart, babe  
Yeah!  
Oh, yeah!

Oh, you can't tell me  
It's not worth tryin' for  
I can't help it  
There's nothin' I want more  
Yeah, I would fight for you  
I'd lie for you  
Walk the wire for you  
Yeah, I'd die for you

You know it's true  
Everything I do  
Oh!  
I do it for you

Everything I do, darling  
And we'll see it through  
We will see it through  
Oh, yeah!  
Yeah!

Search your heart, search your soul  
You can't tell me it ain't worth dying for  
Oh, yeah!

I'll be there, yeah, oh!  
I'll walk the wire for you, yeah!  
I will die for you

Oh, yeah!

All the time

I'm going all the way, all the way, yeah!

Take me by the hand

Ow

And does his dad know I know his part

Why want the moon, the World's in my palm

Is it crazy you think I've gone?

I'm having a bad bad day  
It's about time that I get my way  
Steam rolling whatever I see, huh  
Despicable me

## Kiss From A Rose

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

There used to be a greying tower alone on the sea  
And you became the light on the dark side of me  
Love remained a drug that's the high and not the  
pill

But did you know that when it snows  
My eyes become large and  
The light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on  
the grey

Ooh, the more I get of you, stranger it feels,  
yeah

And now that your rose is in bloom  
A light hits the gloom on the grey

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

There is so much a man can tell you  
So much he can say  
You remain my power, my pleasure, my pain, baby  
To me, you're like a growing addiction that I can't  
deny  
Won't you tell me, is that healthy, baby?

### Chorus

I've been kissed by a rose on the grey  
I, I've been kissed by a rose on the grey  
I've (And if I should fall, will it all go away?) been  
kissed by a rose on the grey  
I, I've been kissed by a rose on the grey

There is so much a man can tell you  
So much he can say  
You remain my power, my pleasure, my pain  
To me you're like a growing addiction that I can't  
deny, yeah  
Won't you tell me, is that healthy, baby?

### Chorus

Ooh, the more I get of you, the stranger it feels,  
yeah

And now that your rose is in bloom  
A light hits the gloom on the grey

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Now that your rose is in bloom  
A light hits the gloom on the grey

## True Colours

You with the sad eyes  
Don't be discouraged, oh I realize  
It's hard to take courage  
In a world full of people  
You can lose sight of it all  
The darkness inside you  
Can make you feel so small

Show me a smile then  
Don't be unhappy  
Can't remember when  
I last saw you laughing  
This world makes you crazy  
And you've taken all you can bear  
Just call me up, 'Cause I will always be there

And I see your true colors  
Shining through  
I see your true colors  
And that's why I love you

So don't be afraid to let them show  
Your true colors  
True colors are beautiful  
I see your true colors

Shining through (true colors)

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors are beautiful (they're beautiful)

Like a rainbow, Oh oh oh oh oh like a rainbow

Ooh can't remember when

I last saw you laughing

Ooh oh oh oh

This world makes you crazy

And you've taken all you can bear

Just call me up, 'Cause I will always be there

Chorus

So don't be afraid (don't be afraid)

To let them show your true colors

True colors are beautiful (you're beautiful, oh)

Like a rainbow, Oh oh oh oh oh like a rainbow, Mmm

mmm

## I'm Still Standing

You could never know what it's like  
Your blood like winter freezes just like ice  
And there's cold lonely light that shines from you  
You'll wind up like the wreck you hide behind  
That mask you use

And did you think this fool could never win  
Well look at me i'm a comin' back again  
I got a taste of love in a simple way  
And if you need to know while i'm still standing  
You just fade away

Don't you know  
I'm still standing better than i ever did  
Looking like a true survivor  
Feelin' like a little kid  
I'm still standing after all this time  
Pickin' up the pieces of my life without you on my  
mind

I'm still standing yeah yeah yeah  
I'm still standing yeah yeah yeah

Once i could never hope to win  
You're starting down the road leaving me again

The threats you made were meant to cut me down  
And if our love was just a circus you'd be a clown by  
now

You know i'm still standing better then i ever did  
Looking like a true survivor  
Feelin' like a little kid  
I'm still standing after all this time  
Pickin' up the pieces of my life without you on my  
mind

I'm still standing yeah yeah yeah  
I'm still standing yeah yeah yeah

Solo

Don't you know  
I'm still standing better then i ever did  
Looking like a true survivor  
Feelin' like a little kid  
I'm still standing after all this time  
Pickin' up the pieces of my life without you on my  
mind

I'm still standing yeah yeah yeah      x 6

## Under the Sea

Ariel, listen to me  
The human world, it's a mess  
Life under the sea  
Is better than anything they got up there

The seaweed is always greener  
In somebody else's lake  
You dream about going up there  
But that is a big mistake  
Just look at the world around you  
Right here on the ocean floor  
Such wonderful things surround you  
What more is you lookin' for?

Under the sea  
Under the sea  
Darling it's better  
Down where it's wetter  
Take it from me  
Up on the shore they work all day  
Out in the sun they slave away  
While we devotin'  
Full time to floatin'

Under the sea

Down here all the fish is happy  
As off through the waves they roll  
The fish on the land ain't happy  
They sad 'cause they in their bowl  
But fish in the bowl is lucky  
They in for a worser fate  
One day when the boss get hungry  
Guess who's gon' be on the plate?

Oh, no, under the sea  
Under the sea  
Nobody beat us  
Fry us and eat us  
In fricassee  
We what the land folks loves to cook  
Under the sea we off the hook  
We got no troubles  
Life is the bubbles  
Under the sea (under the sea)  
Under the sea (under the sea)

Since life is sweet here

We got the beat here  
Naturally (naturally)  
Even the sturgeon and the ray  
They get the urge 'n' start to play  
We got the spirit  
You got to hear it  
Under the sea

The newt play the flute  
The carp play the harp  
The plaice play the bass  
And they soundin' sharp  
The bass play the brass  
The chub play the tub  
The fluke is the duke of soul  
(Yeah)  
The ray he can play  
The lings on the strings  
The trout rockin' out  
The blackfish she sings  
The smelt and the sprat  
They know where it's at  
And oh that blowfish blow

Yeah, under the sea (under the sea)  
Under the sea (under the sea)  
When the sardine  
Begin the beguine  
It's music to me (it's music to me)  
What do they got? A lot of sand  
We got a hot crustacean band  
Each little clam here  
Know how to jam here  
Under the sea  
Each little slug here  
Cuttin' a rug here  
Under the sea  
Each little snail here  
Know how to wail here  
That's why it's hotter  
Under the water  
Ya we in luck here  
Down in the muck here  
Under the sea

## Always Look on the Bright side of Life

Some things in life are bad  
They can really make you mad  
Other things just make you swear and curse  
When you're chewing on life's gristle  
Don't grumble, give a whistle  
And this'll help things turn out for the best  
And

Always look on the bright side of life  
Always look on the light side of life  
If life seems jolly rotten  
There's something you've forgotten  
And that's to laugh and smile and dance and sing  
When you're feeling in the dumps  
Don't be silly chumps  
Just purse your lips and whistle, that's the thing  
And

Always look on the bright side of life  
(Come on)  
Always look on the right side of life

For life is quite absurd

And death's the final word  
You must always face the curtain with a bow  
Forget about your sin  
Give the audience a grin  
Enjoy it, it's your last chance anyhow

So always look on the bright side of death  
A just before you draw your terminal breath

Life's a piece of shit  
When you look at it  
Life's a laugh and death's a joke, it's true  
You'll see it's all a show  
Keep 'em laughin' as you go  
Just remember that the last laugh is on you  
And

Always look on the bright side of life  
Always look on the right side of life  
(C'mon Brian, cheer up)  
Always look on the bright side of life  
Always look on the bright side of life  
  
Always look on the bright side of life

I mean, what have you got to lose?  
You know, you come from nothing  
You're going back to nothing  
What have you lost? Nothing

Always look on the right side of life

Nothing will come from nothing, ya know what  
they say

Cheer up ya old bugga c'mon give us a grin (Always  
look on the right side of life)

There ya are, see

It's the end of the film

Incidentally this record's available in the foyer  
(Always look on the right side of life)

Some of us got to live as well, you know  
(Always look on the right side of life)

Who do you think pays for all this rubbish  
(Always look on the right side of life)

They're not gonna make their money back, you  
know

I told them, I said to him, Bernie, I said they'll  
never make their money back  
(Always look on the right side of life)

## Raindrops Keep Falling On My Head

Raindrops are falling on my head

And just like the guy whose feet are too big for his bed

Nothing seems to fit

Those raindrops are falling on my head, they keep falling

So I just did me some talking to the sun

And I said I didn't like the way he got things done

Sleeping on the job

Those raindrops are falling on my head, they keep falling

But there's one thing I know

The blues they send to meet me

Won't defeat me, it won't be long

Till happiness steps up to greet me

Raindrops keep falling on my head

But that doesn't mean my eyes will soon be turning red

Crying's not for me

'Cause I'm never gonna stop the rain by complaining

Because I'm free

Nothing's worrying me

It won't be long till happiness steps up to greet me

Raindrops keep falling on my head

But that doesn't mean my eyes will soon be turning  
red

Crying's not for me

'Cause I'm never gonna stop the rain by complaining

Because I'm free

Nothing's worrying me

## Candle On The Water

I'll be your candle on the water,  
My love for you will always burn.  
I know you're lost and drifting  
But the clouds are lifting.  
Don't give up, you have somewhere to turn.

I'll be your candle on the water,  
'Till every wave is warm and bright.  
My soul is there beside you,  
Let this candle guide you.  
Soon you'll see a golden stream of light.

A cold and friendless tide has found you,  
Don't let the stormy darkness pull you down.  
I'll paint a ray of hope around you,  
Circling in the air,  
Lighted by a prayer.

I'll be your candle on the water,  
This flame inside of me will grow.  
Keep holding on, you'll make it,  
Here's my hand so take it.  
Look for me, reaching out to show,

As sure as rivers flow,  
I'll never let you go.  
I'll never let you go.  
I'll never let you go...

## Bladerunner

I've seen things you people wouldn't believe...  
Attack ships on fire off the shoulder of Orion... I  
watched C-beams glitter in the dark near the  
Tannhäuser Gate. All those moments will be lost in  
time, like tears in rain... Time to die.

## Also Sprach Zarathustra

Dave: Open the pod bay doors please, HAL.

HAL: I'm sorry, Dave. I'm afraid I can't do that.

Dave: What's the problem?

HAL: I think you know what the problem is just as well as I do.

Dave: What are you talking about, HAL?

HAL: This mission is too important for me to allow you to jeopardize it.

Dave: I don't know what you're talking about, HAL.

HAL: Dave, this conversation can serve no purpose anymore. Goodbye.

## Wind Beneath My Wings

Oh, oh, oh, oh, oh.

It must have been cold there in my shadow,  
to never have sunlight on your face.

You were content to let me shine, that's your way.  
You always walked a step behind.

So I was the one with all the glory,  
while you were the one with all the strength.  
A beautiful face without a name for so long.  
A beautiful smile to hide the pain.

Did you ever know that you're my hero,  
and everything I would like to be?  
I can fly higher than an eagle,  
'cause you are the wind beneath my wings.

It might have appeared to go unnoticed,  
but I've got it all here in my heart.  
I want you to know I know the truth, of course I know  
it.  
I would be nothing without you.

Did you ever know that you're my hero?  
You're everything I wish I could be.  
I could fly higher than an eagle,

'cause you are the wind beneath my wings.

Did I ever tell you you're my hero?

You're everything, everything I wish I could be.

Oh, and I, I could fly higher than an eagle,

'cause you are the wind beneath my wings,

'cause you are the wind beneath my wings.

Oh, the wind beneath my wings.

You, you, you, you are the wind beneath my wings.

Fly, fly, fly away. You let me fly so high.

Oh, you, you, you, the wind beneath my wings.

Oh, you, you, you, the wind beneath my wings.

Fly, fly, fly high against the sky,

so high I almost touch the sky.

Thank you, thank you,

thank God for you, the wind beneath my wings.

## Lady Marmalade

Hey sister, go sister  
Soul sister, go sister  
Hey sister, go sister  
Soul sister, go sister

He met Marmalade down in old New Orleans  
Strutting her stuff on the street  
She said, "Hello, hey Joe  
You wanna give it a go?" hmm hmm

Gitchi gitchi ya ya da da  
Gitchi gitchi ya ya here  
Mocha chocolata, ya ya  
Creole Lady Marmalade  
Voulez-vous coucher avec moi ce soir?

He stayed in her boudoir (Hey sister, go sister)  
While she freshened up (Soul sister, go sister)  
That boy drank all that magnolia wine  
(Hey sister, go sister, soul sister, go sister)  
On her black satin sheets  
Where he started to freak

## Chorus

### Instrumental

Hey, hey, hey

Touching her skin, feeling silky smooth (Ah!)

Color of cafe au lait

Made the savage beast inside

Roar until it cried

"More, more, more!"

Now he's at home doing nine to five

Living his grey flannel life

But when he turns off to sleep

Old memories creep

More, more, more!

## Chorus

## You Got A Friend In Me

You've got a friend in me

You've got a friend in me

When the road looks rough ahead

And you're miles and miles from your nice warm  
bed

You just remember what your old pal said

Boy, you've got a friend in me

Yeah, you've got a friend in me

You've got a friend in me

You've got a friend in me

You've got troubles, and I've got 'em, too

There isn't anything I wouldn't do for you

We stick together and we see it through

'Cause you've got a friend in me

You've got a friend in me

Some other folks might be a little bit smarter than  
I am

Bigger and stronger too, maybe

But none of them will ever love you the way I do

It's me and you, boy

And as the years go by  
Our friendship will never die  
You're gonna see, it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me

## When She Loved Me

When somebody loved me  
Everything was beautiful  
Every hour we spent together  
Lives within my heart

And when she was sad  
I was there to dry her tears  
And when she was happy, so was I  
When she loved me

Through the summer and the fall  
We had each other, that was all  
Just she and I together  
Like it was meant to be

And when she was lonely  
I was there to comfort her  
And I knew that she loved me

So the years went by  
I stayed the same  
But she began to drift away  
I was left alone

Still, I waited for the day  
When she'd say, "I will always love you"

Lonely and forgotten  
Never thought she'd look my way  
And she smiled at me and held me  
Just like she used to do  
Like she loved me  
When she loved me

When somebody loved me  
Everything was beautiful  
Every hour we spent together  
Lives within my heart  
When she loved me

It's a kind of magic

It's a kind of magic, It's a kind of magic

One dream, one soul

One prize, one goal

One golden glance of what should be

(It's a kind of magic)

One shaft of light that shows the way

No mortal man can win this day

(It's a kind of magic)

The bell that rings inside your mind

Is challenging the doors of time

(It's a kind of magic)

The waiting seems eternity

The day will dawn of sanity

(Ooh, ooh, ooh, ooh)

Is this a kind of magic?

(It's a kind of magic)

There can be only one

This rage that lasts a thousand years

Will soon be done

This flame that burns inside of me

I'm hearing secret harmonies  
(It's a kind of magic)  
The bell that rings inside your mind  
Is challenging the doors of time  
(It's a kind of magic) x 2

Instrumental

This rage that lasts a thousand years  
Will soon be, will soon be  
Will soon be done!  
This is (this is) a kind (a kind)  
Of magic (yeah)  
There can be only one  
This rage that lasts a thousand years  
Will soon be done (done!)

(Magic), it's a kind of magic  
It's a kind of magic  
Magic, magic, magic, magic!  
(Magic), a-ha-ha-ha-ha-ha, it's magic!

Ha-ha! Yeah, yeah!, Woo-hoo! It's a kind of magic!

## Who Wants to Live Forever?

There's no time for us

There's no place for us

What is this thing that builds our dreams

Yet slips away from us?

Who wants to live forever?

Who wants to live forever?

There's no chance for us

It's all decided for us

This world has only one

Sweet moment set aside for us

Who wants to live forever?

Who wants to live forever?

Who?

Who dares to love forever

Oh, when love must die?

But touch my tears with your lips

Touch my world with your fingertips

And we can have forever

And we can love forever

Forever is our today

Who wants to live forever?

Who wants to live forever?

Forever is our today

Who waits forever anyway

## Unchained Melody

Whoa, my love, my darlin'  
I've hungered for your touch  
A long, lonely time  
And time, goes by, so slowly  
And time, can do so much (so much)  
Are you still mine?  
I, need your love  
I, need your love  
God speed your love to me

Lonely rivers flow  
To the sea, to the sea  
To the open arms of the sea, yeah  
Lonely rivers sigh  
Wait for me, wait for me  
I'll be comin' home, wait for me

Whoa, my love, my darlin'  
I've hungered, hungered, for your touch  
A long, lonely time  
And time, goes by so slowly  
And time can do so much  
Are you still mine?

I need your love

I, I need your love

God speed your love to me

## Pretty Woman

Pretty woman, walkin' down the street  
Pretty woman the kind I like to meet  
Pretty woman I don't believe you, you're not the truth  
No one could look as good as you, mercy

Pretty woman won't you pardon me  
Pretty woman I couldn't help but see  
Pretty woman that you look lovely as can be  
Are you lonely just like me

Pretty woman stop awhile  
Pretty woman talk awhile  
Pretty woman give your smile to me  
Pretty woman yeah, yeah, yeah  
Pretty woman look my way  
Pretty woman say you'll stay with me  
'Cause I need you, I'll treat you right  
Come with me baby, be mine tonight

Pretty woman don't walk on by  
Pretty woman don't make me cry  
Pretty woman don't walk away, hey, OK  
If that's the way it must be, OK  
I guess I'll go on home, it's late  
There'll be tomorrow night, but wait

What do I see?

Is she walkin' back to me?

Yeah, she's walkin' back to me

Oh, oh, pretty woman.

## I'm a believer

I thought love was only true in fairy tales  
Meant for someone else but not for me  
Love was out to get me  
That's the way it seemed  
Disappointment haunted all of my dreams

Then I saw her face, now I'm a believer  
Not a trace of doubt in my mind  
I'm in love, I'm a believer, I couldn't leave her if I  
tried

I thought love was more or less a giving thing  
Seems the more I gave the less I got  
What's the use in tryin'  
All you get is pain?  
When I needed sunshine, I got rain

## Chorus

## Instrumental

Oh, love was out to get me, Now, that's the way it  
seemed  
Disappointment haunted all of my dreams

## Chorus

Yes, I saw her face, now I'm a believer  
Not a trace of doubt in my mind

I'm in love and I'm a believer...

## I Will Survive

At first, I was afraid, I was petrified  
Kept thinking I could never live without you by my side  
But then I spent so many nights thinking how you did  
me wrong  
And I grew strong, and I learned how to get along

And so you're back from outer space  
I just walked in to find you here with that sad look  
upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I'd have known for just one second you'd be back to  
bother me

Go on now, go. Walk out the door  
Just turn around now 'cause you're not welcome  
anymore  
Weren't you the one who tried to hurt me with  
goodbye?  
Did you think I'd crumble?  
Did you think I'd lay down and die?  
Oh, no, not I  
I will survive  
Oh, as long as I know how to love I know I'll stay  
alive

I've got all my life to live  
I've got all my love to give  
And I'll survive, I will survive

Hey, hey

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken  
heart

And I spent, oh, so many nights just feeling sorry for  
myself

I used to cry, but now I hold my head up high

And you see me somebody new

I'm not that chained-up little person still in love with  
you

And so you felt like dropping in

And just expect me to be free

And now I'm saving all my loving for someone who's  
loving me

Chorus x 2

I will survive

# Mamma Mia

## Instrumental

I've been cheated by you since I don't know when  
So I made up my mind, it must come to an end  
Look at me now, will I ever learn?  
I don't know how but I suddenly lose control  
There's a fire within my soul  
Just one look and I can hear a bell ring  
One more look and I forget everything, w-o-o-oh

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you

Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know  
My my, I could never let you go

I've been angry and sad about things that you do  
I can't count all the times that I've told you we're  
through  
And when you go, when you slam the door

I think you know that you won't be away too long  
You know that I'm not that strong  
Just one look and I can hear a bell ring  
One more look and I forget everything, w-o-o-oh

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you

Chorus

Instrumental

Just one look and I can hear a bell ring  
One more look and I forget everything, w-o-o-oh

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you

Chorus

Instrumental to fade

## Waterloo

My my, at Waterloo Napoleon did surrender.  
Oh yeah, and I have met my destiny  
In quite a similar way.  
The history book on the shelf,  
Is always repeating itself.

Waterloo, I was defeated, you won the war.  
Waterloo, promise to love you for ever more.  
Waterloo, couldn't escape if I wanted to.  
Waterloo, knowing my fate is to be with you.  
Woe woe woe woe,  
Waterloo, finally facing my Waterloo.

My my, I tried to hold you back  
But you were stronger.  
Oh yeah, and now it seems my only chance  
Is giving up the fight.  
And how could I ever refuse.  
I feel like I win when I lose.

### Chorus

So how could I ever refuse?  
I feel like I win when I lose.

Waterloo, couldn't escape if I wanted to.  
Waterloo, knowing my fate is to be with you.  
Woe woe woe woe,  
Waterloo, finally facing my Waterloo.

Ooho ooh ooh,  
Waterloo, knowing my fate is to be with you.  
Woe woe woe woe,  
Waterloo, finally facing my Waterloo.  
Finally facing my Waterloo.  
Finally facing my Waterloo.

## Dancing Queen

Ooh, You can dance

You can jive

Having the time of your life

Ooh, see that girl

Watch that scene

Digging the dancing queen

Friday night and the lights are low

Looking out for a place to go

Where they play the right music

Getting in the swing

You come to look for a king

Anybody could be that guy

Night is young and the music's high

With a bit of rock music

Everything is fine

You're in the mood for a dance

And when you get the chance

You are the dancing queen

Young and sweet

Only seventeen

Dancing queen

Feel the beat from the tambourine, oh yeah

You can dance  
You can jive  
Having the time of your life  
Ooh, see that girl  
Watch that scene  
Digging the dancing queen

You're a teaser, you turn 'em on  
Leave 'em burning and then you're gone  
Looking out for another  
Anyone will do  
You're in the mood for a dance  
And when you get the chance

### Chorus

Digging the dancing queen

### Fade
