

I used to think this but now I think this

I **used to** think:

But **now** I think:

Why is it like this...

Question starts

?

What if it...

?

What do you **know**
about this...

?

What would you **change**
about it...

?

How do you know...

?

3. Initial thoughts...

2. Initial questions...

1. Initial comparison...

Bridge

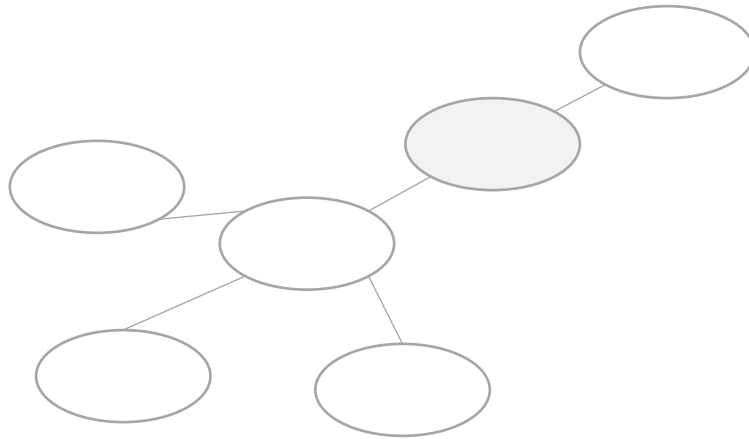

3. New thoughts...

2. New questions...

1. New comparison...

Write the main idea/concept/subject in the shaded shape, then add more as needed...

Describe the subject:

Key point 1

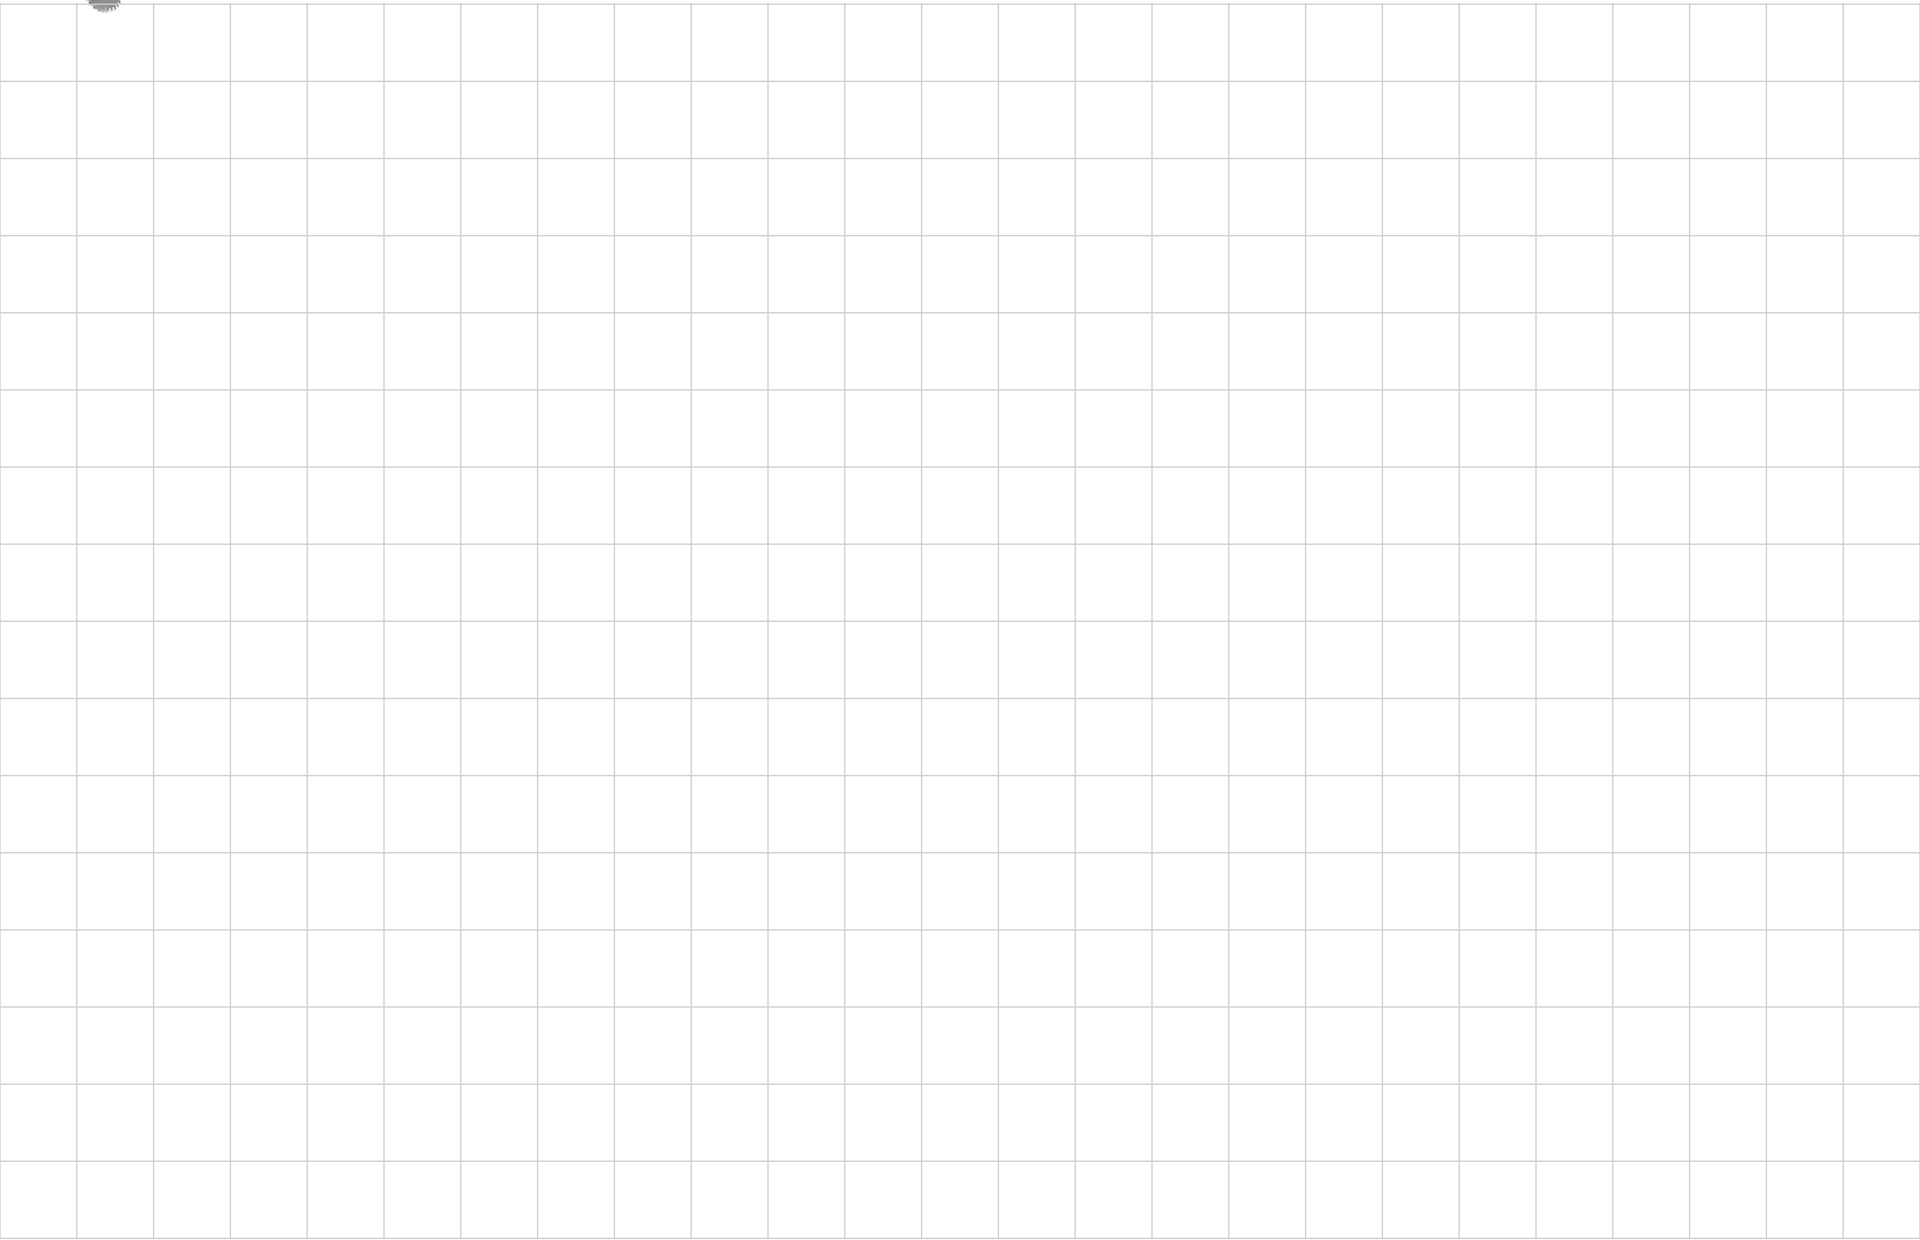

Key point 2

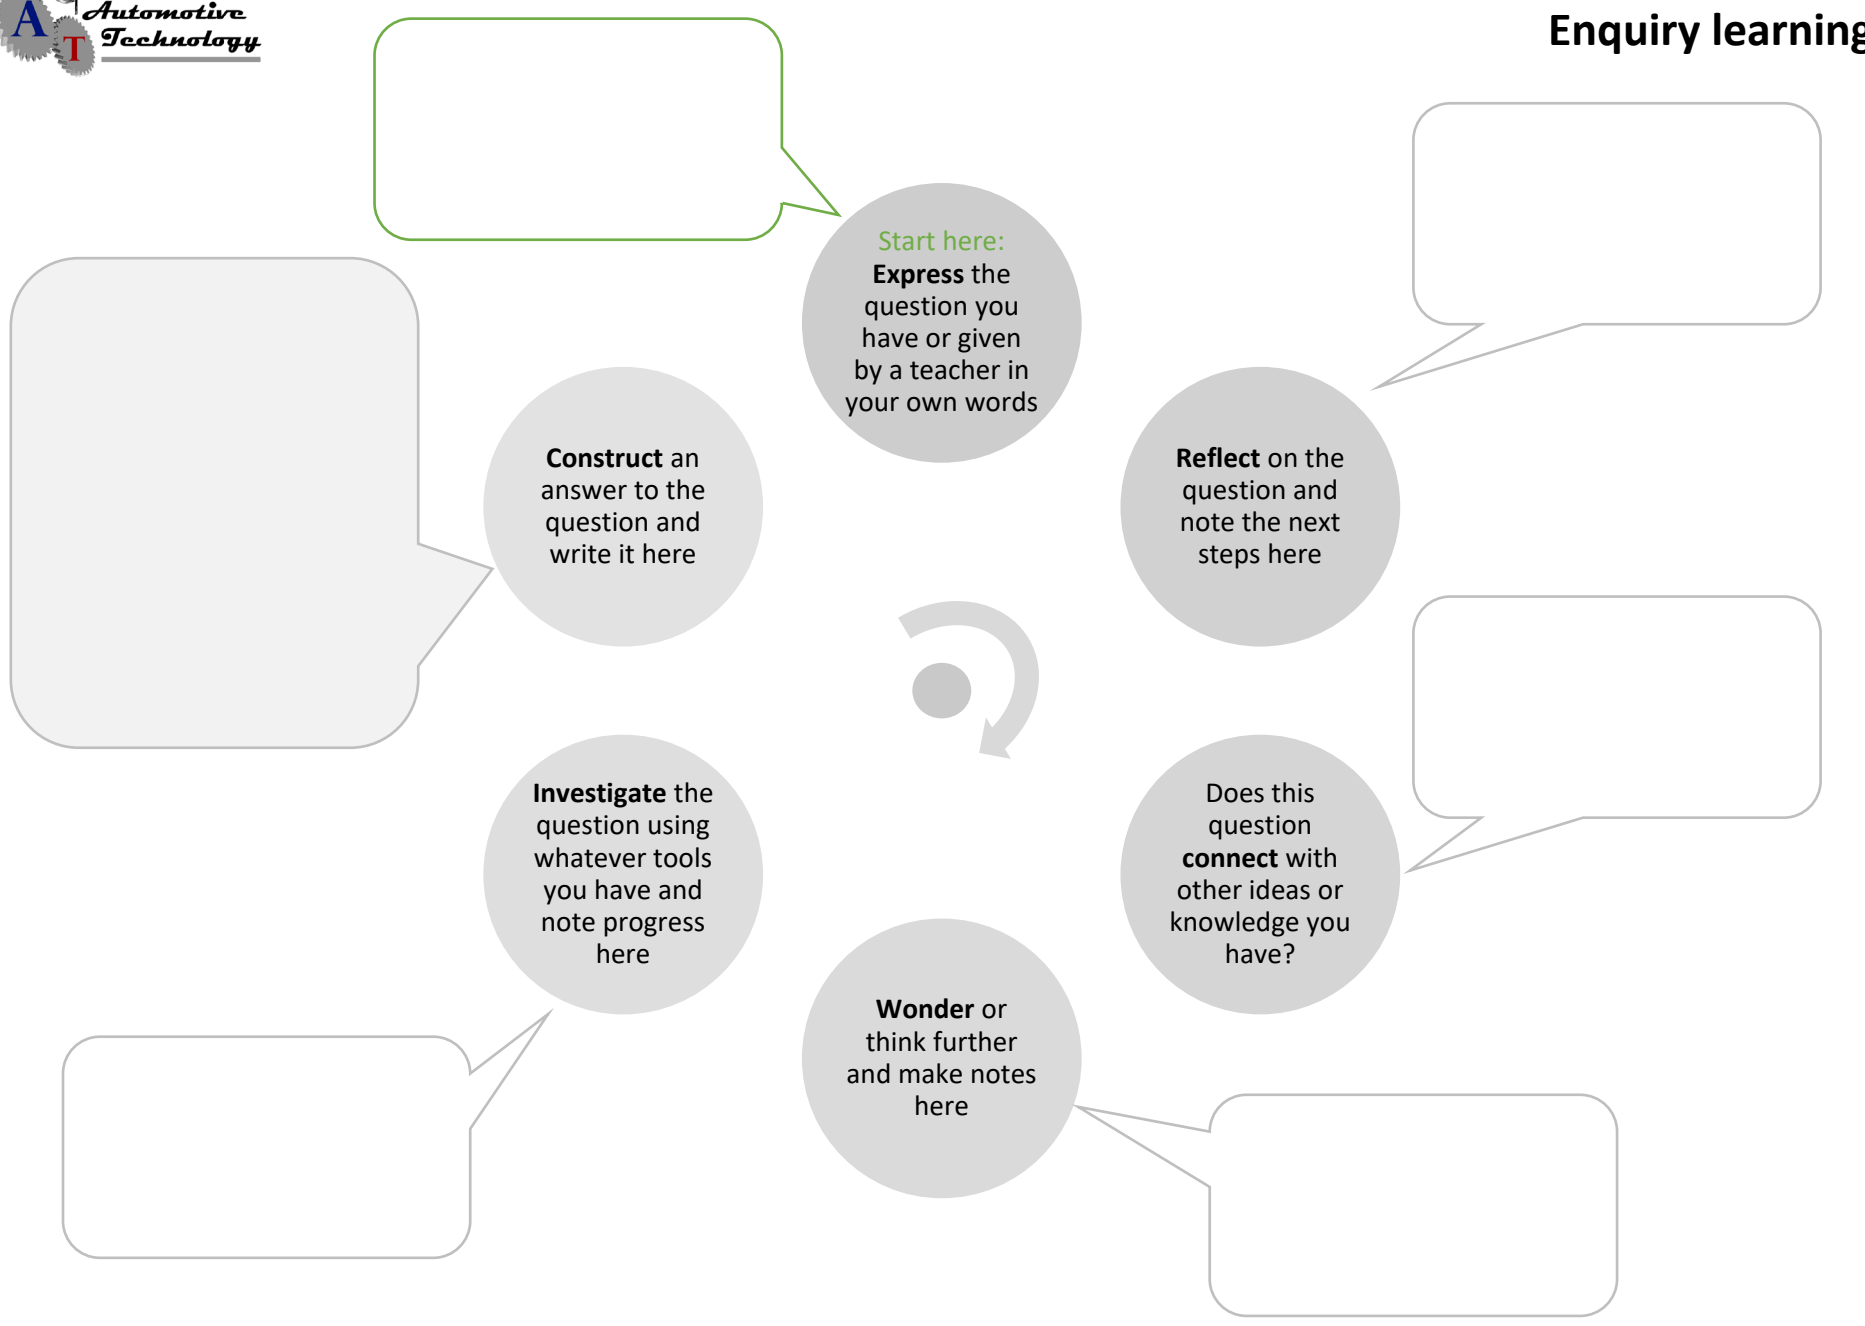

Key point 3

Key point 4

Key point 5

Pick the most important point and say why:

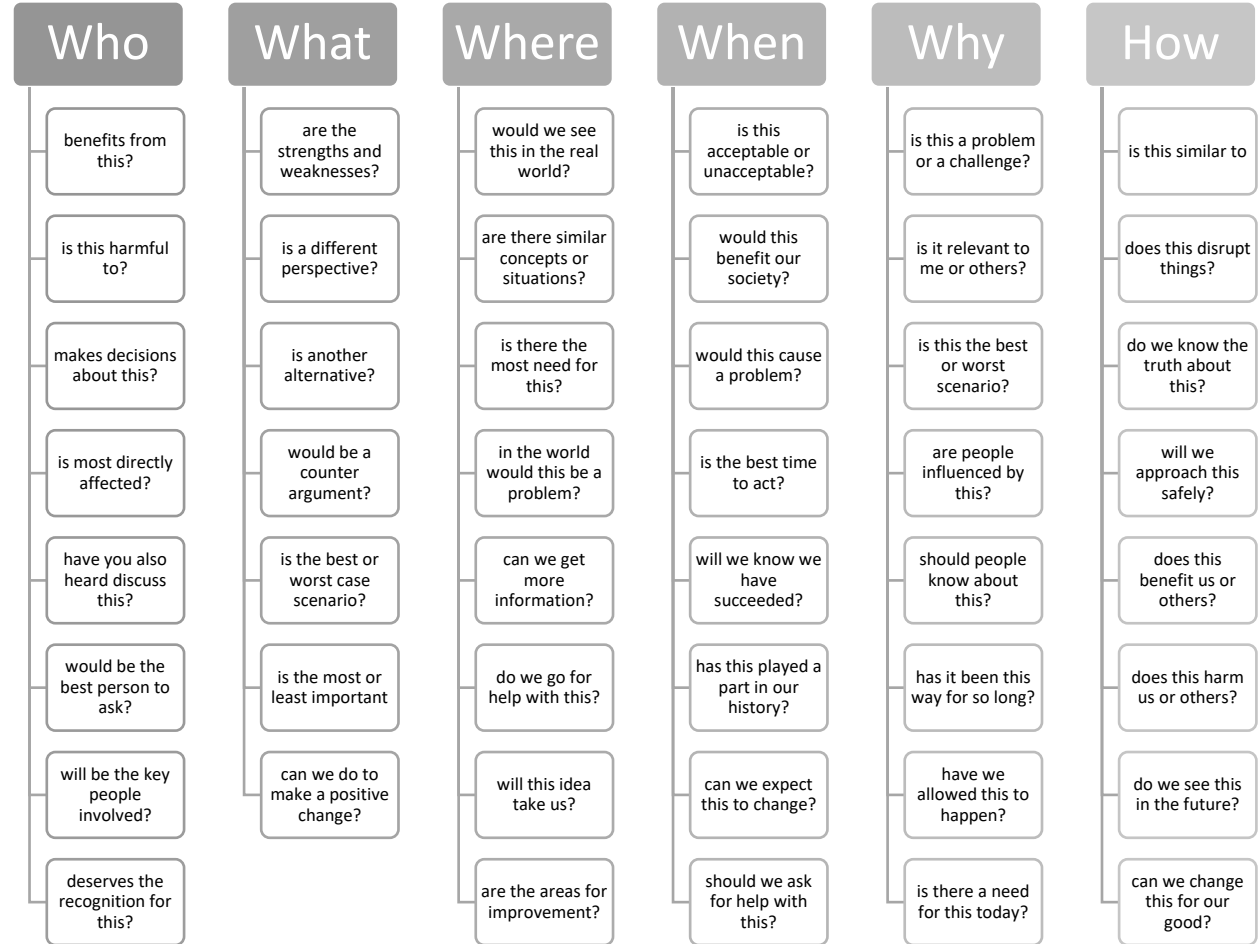

1. Define the problem you are solving by using some of these questions:

2. Research and answer the question(s) using the information supplied to you or that you find yourself.

3. Write the answer here:

Ruled writing area consisting of horizontal lines.
